Dear Sir / Madam,

20th May 2005

Electro-Magnetic Remote Sensing (EMRS) Defence Technology Centre (DTC)
2nd Annual Technical Conference, 16th-17th June 2005. Edinburgh International Conference Centre (EICC)

On Thursday 16th and Friday 17th June 2005 the EMRS DTC will be holding our 2nd Annual Technical Conference at which the work of the DTC will be disseminated. The conference will be held at the Edinburgh International Conference Centre (EICC). The conference will be organised into two parallel sessions:

- RF Systems, Embedded Processing, Devices and Materials
- Electro-Optic Systems, Embedded Processing and Devices

A networking reception will also be held on the evening of Thursday 16th June 2005 in the Strathblane Hall of the EICC for conference delegates.

The EMRS DTC Annual Conference should be attended by:

- potential exploiters of EMRS DTC funded research.
- potential providers of research to the EMRS DTC programme.
- members of the broad military and civil Electro-Magnetic Remote Sensing community of interest, including it's underlying key technologies, systems and sub-systems.

Attached to this letter is a brochure for the conference together with a booking form. Please note that the closing date for registration is Monday 13th June 2005.

The booking agents for this year's conference are BiP Solutions and we are pleased to offer on-line registration, in addition to telephone, facsimile and postal bookings. Moreover, all major credit cards, including American Express, are now accepted. Additionally, our booking agents can also offer delegates an accommodation booking service through their partner, Expotel. Contact details for BiP Solutions Event Management are shown below:
