Defence Technology Centres (DTCs) : Joint Annual Technical Conferences
Edinburgh International Conference Centre, 13 and 14 July 2010

Defence Technology Centres are a key research initiative of the UK MoD and hold annual technical conferences to disseminate their outputs. Ahead of the joint technical conferences of the EMRS and SEAS DTCs we are writing to all registered delegates, exhibitors and dinner guests to make them aware of the conference arrangements and to provide other useful pointers to help you make the most of your visit to Edinburgh.

Sent with this letter is a set of joining instructions, comprising :

- Ø Section 1: Travel / Maps
- Ø Section 2: The Conference Centre
- Ø Section 3: Registration
- Ø Section 4: Conference Agendas
- Ø Section 5: Conference Exposition
- Ø Section 6: Conference Dinner
- Ø Section 7: What to do in Edinburgh

Given the unpredictable nature of our weather, it may be wise to pack a small umbrella !

The EMRS and SEAS DTCs are delighted to welcome you to Edinburgh on 13 and 14 July 2010 for our annual conferences. We do hope that you find value in the conferences and enjoy your stay in Edinburgh. We gratefully acknowledge the sponsorship of Scottish Enterprise for this year's conference.

Yours sincerely,

Neil Whitehall
